Creative Graphic Designer

Job experience

Graphic Design

The One Line Design [Funchal, Portugal](#)
MAR 2024 - MAR 2026

Developed **branding strategies** and **visual identities**, ensuring consistency across platforms, while creating **brand books** and **style guides** for cohesive storytelling. Designed **UI concepts** for seamless digital experiences and **managed social media design** to boost engagement with compelling visuals.

Crafted **event materials** and **presentations**, including corporate decks and promotional assets, and produced visuals for **digital** and **print**, such as brochures, posters, and web graphics. Engaged stakeholders through **one-on-one meetings** to align creative direction and ensure design effectiveness.

Graphic Design

Freelancer [Remote](#)
JUL 2021 - MAR 2024

Collaborated with clients to understand their design needs and objectives. Developed **creative designs and illustrations for branding, marketing materials, print and digital media**. Translated client requirements into compelling visual concepts. Delivered high-quality design assets within specified timelines. Incorporated client feedback and revisions for project success. Stayed updated on design trends and software advancements.

Artwork / Head of Quality and Management

Kwickscreen [London, UK](#)
SEPT 2016 - JUL 2021

Head of Quality - 1 year - Developed, implemented and established working methods to ensure the departments ran smoothly. Met the quality, integrity, and efficiency standards set by the organization. Provided feedback to employees and oversaw work in all departments.

Production Manager - 2 years - Led team leaders and managed a team of up to 60 employees, made sure KPIs were constantly being met and processes all over the company were according to standards.

Artworker/printer - 2 years - In contact with stakeholders to make sure artwork was according to their vision. Ensured designs had integrity and reached full potential by correcting colours, placement, fonts, and inconsistencies. Provided guidance to graphic designers to make sure work was according to client needs.
